## About

Mahdi Almiskin and Ahmed Al-AbdulAal founded Saliya Games in Riyadh (MIS graduates). A prototype from the Saudi Game Champions **game jam** (Oct 30–Nov 1, 2025) led into the six-month incubator at CODE HQ. The studio targets deep systems, replayability, and production craft for a global audience. The **dhow** identity nods to the founders' Eastern Province maritime heritage.

## Founders

**Mahdi Almiskin** - Founder & Technical Director · MIS - systems design, programming, tooling.  
**Ahmed Al-AbdulAal** - Co-Founder & Creative Director · MIS - game, level & art direction.
